

## Costiliolae Barbera d'Asti Superiore DOCG

12.5% abv 750mL

Made from carefully selected Barbera grapes and aged at least 14 months in oak. Very structured and balanced, with mature, elegant, round tannins. Spicy notes and a hint of vanilla and wood do not overpower the delicate characteristics of the grape.

On the nose, an explosion of fruit with a floral touch. The rustic, austere palate is rounded out by oak aging in barriques, balancing out this beautiful wine.
